LED Dimmable Junction Box Downlights

Junction box mountable LED downlight from TCP. Easily attaches to a standard junction box.

Features and Benefits:
- Frosted dome cover
- Junction box mounting
- 75 Watt incandescent equivalent
- Wide beam spread
- Triac dimming
- Damp location rated
- IC rated
- Life: 50,000 hours
- Easy wiring for a quick install
- 120-volt AC
Applications
Perfect for surface mount dimming applications

Construction
• Integrated LED driver
• Easily attaches to a junction box

Electrical
• ULus damp location rated
• Easily access wiring for quick installation
• System rated for long 50,000 hour life

Optics
• Frosted dome for glare free lighting
• 120V Triac Dimming
