LED T8-Ready General Purpose Strip

Description
The LED T8-Ready luminaires feature the look of classic fluorescent luminaires while operating modern single-ended LED T8 Type B lamps. The easy-to-install LED T8-Ready General Purpose Strips maintain that classic look while operating one or two lamps. Available in 4 foot or 8 foot lengths, they are suitable for a wide range of indoor applications including workshops, hallways, laundry rooms and industrial task lighting.

Construction
- 22 gauge steel housing
- Post-painted with a durable white powder coat
- High quality pre-wired lampholders
- Easy-to-install design
- 4 foot or 8 foot design
- 8 foot uses 4 foot lamps end-to-end

Electrical
- cULus damp location rated
- Sockets are pre-wired for single-ended Type B T8
