

QTL Series IP65 Rated High Bay

Product Specifications

The QTL Series IP65 Rated High Bay features a 2FT lightweight extruded aluminum body, and up to 28,500 lumens, resulting in a versatile solution for endless applications. The included mounting hardware makes the QTL Series IP65 Rated High Bay quick to install and will provide a long-lasting, durable light source for years to come. This waterproof, up to 50°C (122°F) temperature rated, high bay is the perfect light for extreme applications.

Reasons to choose the QTL Series IP65 Rated High Bay from TCP

- Lightweight, quick install construction
- High temperature rating of up to 50°C (122°F)
- Standard frosted lens for glare control
- No shadows for smooth, even lighting
- IP65 rated
- 0-10V smooth dimming
- 250W or 400W HID equivalent
- 50,000 hour rated life
- Wide 120 degree beam spread
- Optional controls available
- Includes 2-foot power cord

Ideal Applications

- High ceiling locations
- Commercial settings
- Industrial settings
- Water sports arenas
- Warehouses
- Other wet applications

Applications

The QTL Series IP65 Rated High Bay is a versatile solution for endless wet location applications. It's ideal for high ceiling, commercial, and industrial settings. With its lightweight extruded aluminum body and included mounting hardware, the QTL Series IP65 Rated High Bay by TCP is quick to install and will provide a long-lasting, durable light source for years to come.

Features

- Lightweight, quick install construction
- Standard frosted lens for glare control
- No shadows for smooth, even lighting
- IP65 wet location rated
- 0-10V smooth, no-flicker dimming
- 250W or 400W HID equivalent
- Long 50,000 hour rated life
- Wide beam spread due to LED design providing a clean cutoff
- Optional battery backup available

Hardware Included

- 2 tong hangers
- 5' jack chains
- 2' pre-wired cord

Installation

Before hanging installation, please consult your local ordinances and building codes.
